

Cory Gibson

Lighting Designer & Programmer

Sidcup, London DA15

I am a South London Based, young Lighting Technician specialising in Design and Programming. I am currently studying Lighting Design at Rose Bruford College where I'm always keeping myself busy by getting involved in as many projects and shows as possible. I have been programming on Eos for over 5 yrs and use Vectorworks Spotlight for CAD Drafting at an intermediate level. My education and enthusiasm has allowed me to explore and gain experience in other disciplines such as Audio, Stage Management and Scenic Arts.
